Adrenaline

Adrenaline

Academy Adrenaline is the Ben Davis Ninth Grade Center's Academy designed for students with an interest in health and human services.

We want Academy Adrenaline students to be prepared to succeed -we will be stimulating your mind and challenging you to be your best.

Spark

your interest in

- Helping people solve their personal problems
- Learning about science and why things work the way they do
- Managing time, resources and other people
- Taking care of animals and helping them when they are sick or hurt
- Directing children's activities
- Solving problems that require using math
- Nature and the outdoors
- Science and math
- Being with people and working in groups
- helping people who are sick or elderly

Inspire

yourself to discover your strengths and delve into your interests.

Connect with these professionals:

- Pharmacists
- Nurses
- Veterinarians
- Human Resource Directors
- Psychologists
- Sports Medicine/Trainers
- Art Therapists
- Zoologist/zoo Keepers
- Lawyers
- Dentists
- Doctors
- EMTs
- Environmental Scientists
- Counselors
- Nutritionists
- Museum Administrators
- Forensic Scientists

Stimulate

your educational focus

Do you see yourself working in

- healthcare?
- medicine?
- education?
- social work?
- law?
- human resources?
- hospitality/tourism industry?

If these careers stimulate your mind,
Academy Adrenaline is for you!
