Think for a moment about who you are, who you would like to become. Realize that process starts **NOW**, your first year of high school.....

If you like to:

- use cool electronic equipment
- create stuff on the computer like Web Pages
- write, report, draw, or cartoon
- act or sing
- debate, argue or voice your opinion
- build stuff

Then WNGC is the place for you!

The Media and Communications Academy...

ROTATE HOMEROOMS throughout the year and experience creating:

- School Newspaper
- Yearbook
- Web Design
- TV/Radio Broadcasting
- TV/Radio Production (behind the scenes)
- Photography and Video
- Theater Production and Stage/Set Building
