

From I-465 exit on West 10th Street, make an immediate left turn on High School Rd. (if you would turn right the name of the street is Glen Arm Road). Entrance is located between 10th Street and Rockville Rd. just south of the pond. Watch for Indy West Conference Center (Emergency Services Education Center) sign and large American flag. Turn right onto the access road that takes you to a T – to the left is the CPAT Building. It is clearly marked. You can park in the Conference Center parking lot
